BESPOKE COVID TESTING

A personalized service, founded by London doctors and business leaders. Providing government approved round-the-clock covid testing to our corporate clients.

We provide a seamless and discreet service, on site, in office or at home; delivering the reassurance of a doctor and removing the uncertainty of self testing.

The Norwegian Chamber of Commerce has a **dedicated 7 day access** to PCR and Rapid Flow testing with discounted pricing, a designated client manager at nbcc@solice.health
