CORPORATE MEMBERSHIP

Norwegian·British CHAMBER OF COMMERCE

As a member, your company will gain exclusive access to a vibrant network of business professionals through engaging topical networking and social events. Get exposure and connect with key players, big and small, across the Norwegian and British business scene, and unlock valuable opportunities tailored to your goals.

Membership of the NBCC is a smart investment for anyone involved in Norwegian-British trade or relations. In collaboration with members, partners, Team Norway and regional clusters, our work and our events enable businesses and individuals from all sectors to connect, learn and grow by turning engagement into opportunities.

The NBCC is a member-driven, non-profit organisation founded in London in 1906. We are an integral part of Team Norway UK, which includes the Royal Norwegian Embassy, Innovation Norway, Norwegian Energy Partners, and Norwegian Seafood Council.

Our focus is on:

- Promoting trade between Britain and Norway
- Creating real value through the relationships that we facilitate, for members and for both nations' economies
- Working closely with governments and institutions

Corporate Membership Options

1. Small Corporate:
£404 + VAT (up to 3 employees)

2. Medium Corporate:
£824 + VAT (turnover less than £1m)

3. Large Corporate:
£1,390 + VAT (turnover £1m+)

4. None UK-based:
50% discount

Our members gain multiple benefits:

- Closer links with the Norwegian business community in Great Britain and in Norway, in ways that help to develop in-depth understanding of British and Norwegian business cultures and dynamics
- Engagement and exposure when attending our high-end conferences and smaller-scale ongoing events
- An established and growing nationwide network of contacts, including access to senior decision-makers
- A Young Professional network where your under 35s automatically can enrol, connecting those in the earlier stages of their careers in a professional community, as well as a series of student careers events
- Ongoing communication channels to keep members informed and drive connections, include access to our growing digital network which allows corporate members and partners to distribute news and job bulletins
- Special member offers around our events, and discounts on products and services offered by some of our members*

These events range from industry-leading conferences to networking platforms, webinars and social get-togethers, and are held in Aberdeen, Edinburgh, London, the North East and the North West of Britain, as well as in Norway. With topics curated by both NBCC and members, these events provide a platform for Norwegian and British businesses to gain exposure to potential customers, distributors, partners and industry influencers.
